

## Fire Starter

**#Hero** Fire Starter is a smart and handy tool in all kinds of weather. An easy way to fire up the bonfire or burner and enjoy a great meal or keep you warm on every getaway. Just iron the small steel plate vigorously along the magnesium until a hot spark appears. The design of the **#Hero** Fire Starter is minimalistic, the products is quality assured and designed according to **#HeroCamper** standards. As an extra bonus, it is more eco-friendly than matches.
